Washington, D.C. 20520

JUL -7 2004

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed license for the export of defense articles that are firearms controlled under category I of the United States Munitions List sold commercially under a contract in the amount of \$1,000,000 or more.

The transaction contained in the attached certification involves the export of 210 M16A3 full automatic centerfire rifles, 20 Stoner SR-25 semi-automatic sniper rifles and associated equipment, to include, magazines, stocks, and handguards to the Philippine National Police for use by the Special Action Force.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in black ink that reads "Paul V. Kelly". The signature is fluid and cursive, with a long horizontal stroke at the end.

Paul V. Kelly
Assistant Secretary
Legislative Affairs
